PQ 8971 - To ask the Minister for Health the number of portable cardiac echo machines in use at University Hospital Waterford.

Dear Deputy Smyth

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that University Hospital Waterford has 2 high spec portable Echo machines in the Cardiac Department which are dedicated to portables.

I trust the above is satisfactory but if you have any queries please do not hesitate to contact me.

Yours sincerely,
