*"To ask the Minister for Health the number of long-term stay beds to be retained after refurbishment in a community hospital in Donegal (details supplied); and if he will make a statement on the matter."*

Dear Deputy Doherty

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Having examined the matter, I can confirm there are currently 33 long-term care (LTC) beds in St. Joseph's Community Hospital and following the refurbishment works it is planned that 33 LTC beds will remain operational.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
