Deputy Richard Bruton T.D.,
Dáil Eireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ Number: 1605/24

20th February 2024

Dear Deputy Richard Bruton,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the following Parliamentary Question, which was submitted to this Department for response.

To ask the Minister for Health if he will indicate the proportion of nursing costs paid by the State and by residents and their families under the fair deal scheme, distinguishing payments by families made immediately and payments recovered later from property sales. -Richard Bruton

The following data relates to Clients that are either in receipt of State Support and / or Ancillary State Support. The data excludes Clients who pay the full Cost of Care direct to the Nursing Home.

	State Support Costs	Ancillary State Support Costs (payments to be recovered later by Revenue)	* Client Contribution (payments by Client made immediately)
	2023	2023	2023
	€	€	€
Public	318,760,736	10,014,001	70,595,095
Private	693,367,338	65,935,507	314,508,810
TOTAL	1,012,128,075	75,949,508	385,103,905

I hope this clarifies the position.

Yours sincerely,

Ultan Hynes
Head of Service – Nursing Homes Support Scheme
