**Re: PQ no: 1829/24 – MRI & CT scanners – St Luke's Hospital, Kilkenny**

Dear Deputy Smith,

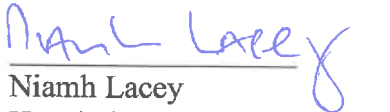

I refer to the recent representation made to St Luke's Hospital, Kilkenny, which has been referred for direct response.

**To ask the Minister for Health the number of MRI scanners and CT scanners in use at St. Luke's Hospital, Kilkenny. -Duncan Smith**

I have had this matter examined and am advised that we have one operational CT scanner and one operational MRI scanner.

I trust this information is helpful to you.

Yours sincerely

??
