Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I would like to confirm that the centre is now operational for service users accessing the Integrated Care Programme for Chronic Disease. The Integrated Care Programme for Older Persons Services will be operational from 26th February 2024.

If I can be of any further assistance, please do not hesitate to contact me.
