Dáil Eireann,

Kildare Street,
Dublin 2.

26th June 2024

PQ 27866.24 –To ask the Minister for Health if he will ensure that funding is provided for a dedicated Consultant Neurologist and support staff at Letterkenny University Hospital, in line with the National Model of Care for Neurology – Pádraig MacLochlainn

Dear Deputy,

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

The Saolta Group is committed to progressing the development of a neurology service for Letterkenny University Hospital.

It is a strategic priority for the group to develop and progress the Saolta Neurology Clinical Services review 2024 once finalised. The group are also currently finalising the priorities for the Service Plan 2025 and the development of the neurology service in LUH forms part of that plan.

Kind Regards,

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

Mr. Seán Murphy
