To ask the Minister for Health for an update on the reopening on Lettermacaward GP surgery in County Donegal; if patients registered there can still attend Glenties GP surgery for treatment; if not, the contingency plans in place to ensure that patients continue to receive medical attention; and if he will make a statement on the matter.

Dear Deputy Doherty

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

I have examined the matter and the following outlines the position for Community Healthcare Cavan Donegal Leitrim Monaghan Sligo.

The HSE can confirm that no changes have been made to the arrangements in place in respect of patients registered with the Lettermacaward G.P. Practice, who can continue to attend the Primary Care Centre in Glenties for G.P. care and treatment.

I trust this information is of assistance to you but should you have any further queries please do not hesitate to contact me.

Yours sincerely
