Dear Deputy Gould,

The Health Service Executive has been requested to reply to you in the context of the above Parliamentary Question, which you submitted to the Minister for Children, Equality, Disability, Integration and Youth for response.

In early June 2024, the HSE in partnership with the CDNT Lead Agencies submitted a proposal to the Dept of Children, Equality, Disability, Integration and Youth. This document set out a pilot proposal to support children attending special schools in Cork. This proposal has been forwarded to Cabinet for their consideration and we await their decision in this regards.

If I can be of further assistance please do not hesitate to contact my office.

Yours sincerely,

Ms. Angela O Neill,
Head of Disability Services,
Cork Kerry Community Healthcare
