**Re PQ 30255/24 To ask the Minister for Health to provide an update on the closure of the Laytown health centre; if there are any plans to re-open it; to provide an update on the proposed future use of the site; and if he will make a statement on the matter.**

Dear Deputy O'Rourke,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

We are currently working towards identifying the most suitable service within the HSE to occupy the space in Laytown, Co Meath.

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

---
