*\* To ask the Minister for Health if Turas, a mental health course delivered by the National Learning Network, can be made available in Athlone to all residents, given that Athlone is split into two separate CHO regions and, at present, this course is only available to residents in one of these regions.\**

Dear Deputy Troy,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position;

This course is currently not available to service users in Galway Roscommon Mental Health Services, Community Healthcare West.

I trust this information is of assistance to you, but should you have any further queries, please contact me.

Yours sincerely,

---
