PQ ref 26860/24: *To ask the Minister for Health if there are plans to increase funding and capacity for public PrEP services, such as those at the GUIDE clinic at St. James's Hospital.*

Dear Deputy Gould,

The PrEP Service at St James's Hospital is currently accepting new PrEP patients as capacity allows. We are continuously working to improve our efficiency in order to meet the increasing demand and needs of our patient cohort. We would welcome additional investment to further increase the capacity of the clinics.

Yours sincerely,

Ms Aisling Collins
