PQ ref 26899/24 - *To ask the Minister for Health if there will be an increase in funding and capacity for public PrEP services, such as those at the GUIDE clinic at St. James's Hospital; and if he will make a statement on the matter.*

Dear Deputy O'Callaghan,

The PrEP Service at St James's Hospital is currently accepting new PrEP patients as capacity allows. We are continuously working to improve our efficiency in order to meet the increasing demand and needs of our patient cohort. We would welcome additional investment to further increase the capacity of the clinics.

Yours sincerely,

Ms Aisling Collins

Interim Chief Operations Officer
