**PQ ref 26903/24** - *To ask the Minister for Health the plans to increase funding and capacity for public PrEP services like those in the GUIDE clinic at St. James's Hospital; and if he will make a statement on the matter.*

Dear Deputy O'Sullivan,

The PrEP Service at St James's Hospital is currently accepting new PrEP patients as capacity allows. We are continuously working to improve our efficiency in order to meet the increasing demand and needs of our patient cohort. We would welcome additional investment to further increase the capacity of the clinics.

Yours sincerely,

Ms Aisling Collins
