Dear Deputy Murnane O'Connor,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

We are pleased to let you know that Professor Aisling Mulligan was appointed to the role of Clinical Lead for ADHD in Children and Adolescents in June 2024, and it is planned that there will be a model of care for ADHD in Children and Adolescents available in June 2025.

I trust this information is of assistance to you.

Yours sincerely,

---

General Manager
