**PQ: 27148/24**

**To ask the Minister for Health the annual cost of services provided under HAA.**

Dear Deputy Clarke,

I refer to your parliamentary question, which was passed to the HSE for response.

The Health Amendment Scheme is for people who contracted Hepatitis C and or HIV as a result of receiving infected blood or blood products in this state.

The breakdown outlined below refers to 2023.total.

The demand led aspect of the HAA scheme (including Home support payments and care costs) is €11,145,994.75. This is the combined total of all 9 CHOs. The PCRS portion is €1.8million. The total funding to advocacy groups is €866,100.00.

I trust this is of assistance.

Yours sincerely,

---
