**RE: PQ 27166/24**

Dear Deputy Smith,

The Health Service Executive has been requested to reply directly to you in the context of the above Public Representation. I have examined the matter and the following outlines the position.

**Response:**

SUH currently have 1 CT scanner, 1 MRI scanner and 3 fixed x-ray units in SUH, 1 fixed x-ray unit in OLHM and 1 fixed x-ray unit in Primary care centre in Ballyshannon. SUH also have mobile x-ray units to support mobile radiography across the hospital and one system that is used for barium studies that can also be used for x-rays as well

I trust that this addresses your query.

**Yours sincerely,**

---

**Hospital Manager**
