Deputy Pádraig MacLochlainn  
Dáil Éireann  
Leinster House  
Dublin 2.

**PQ 27514/24: To ask the Minister for Health the current number of advanced nurse practitioners working in the area of adult type 1 diabetes services; where they are based by individual hospital; if there are plans to increase numbers; and if he will make a statement on the matter.**

Dear Deputy MacLochlainn,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The census does not go into the level of detail of department location and we are awaiting the publication of the Pay and Numbers Strategy which sets out recruitment targets, therefore, unfortunately we are not in a position to provide all the information you request.

However by way of assistance, I have attached a report from National HR which shows the WTE of Advanced Nurse Practitioners by hospital across the HSE as at May 2024.

Yours sincerely,

---
