Deputy Cathal Crowe,  
Dáil Éireann,  
Leinster House,  
Kildare Street,  
Dublin 2.

**PQ 27544/24 To ask the Minister for Health the total number of people using insulin pumps (details supplied – Roche) in each county in 2021, 2022 and 2023, in tabular form.**

**- Cathal Crowe**

Dear Deputy Crowe,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 27544/24) which you submitted to the Minister for Health for response.

Please note that the authorisation of insulin pumps occurs at an LHO level, and as such, there is not a national database which collates the information centrally or records the number of persons who are approved for insulin pumps each year. Primary Care do have access to procurement data in relation to Roche insulin pumps based on invoicing which I have supplied below.

	Roche * Withdrawn from market 31/12/2021		
	2021	2022	2023
<b>Total</b>	<b>26</b>	<b>0</b>	<b>0</b>

I trust this information is of assistance to you.

Yours sincerely,

**Seán McArt**
