**Deputy Carol Nolan
Dáil Eireann
Leinster House
Kildare Street
Dublin 2**

PQ 10289/24: To ask the Minister for Health the number of dentists contracted to the DTSS per CHO area, in tabular form; and if he will make a statement on the matter.

Dear Deputy Nolan,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

Adult medical card holders have access to dental services under the Dental Treatment Services Scheme (DTSS) through care provided by private dentists that hold DTSS contracts with the HSE. The DTSS is a “choice of dentist” scheme which does not require the patient to register with a particular dentist and enables medical card holders to attend any DTSS contractor directly without recourse to the HSE.

The number of dentists contracted to the DTSS by CHO area is detailed in table below as requested.

I trust this information is of assistance to you, but if you require further clarification please do not hesitate to contact me.

Yours Sincerely,

**Anne O'Neill
Assistant National Director, Oral Health**
