RE: PQ 10557/24

"To ask the Minister for Health When a sheltered/covered bike rack area will be provided at the Primary Care Centre, Westport, Co. Mayo, which will allow for the storage of e-bikes owned by staff members and visiting service users? and if he will make a statement on the matter"

Dear Deputy Ring

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position in Primary Care.

In accordance with the grant of planning for Westport primary care centre 28 spaces for bicycle parking were required by the Local Authority which have been provided and are covered by CCTV. Primary care management has not received a request to submit a business case seeking a covered area for bicycles.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours sincerely

Mary Warde
