**PQ 10572/24\* To ask the Minister for Health when the new extension will open at St Josephs Hospital, Millstreet, County Cork; and if he will make a statement on the matter. -Michael Moynihan**

Dear Deputy Moynihan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health for response.

Millstreet Community Hospital Extension Phase 1 (the new Extension) is scheduled to be completed in Q2 2024. A New Registration Application to Vary is required with the HIQA Authority and this process will commence thereafter. Once, the extension Registration Application to Vary is granted, the extension can be occupied by the residents.

The next two phases of construction can then be undertaken, both phases will also be the subject of two new registration Applications to Vary prior to occupation. Based on current construction and HIQA processes, it is expected that the project construction works will be completed in Q4 2024.

Yours sincerely,

---
