Dear Deputy Smyth

The Health Service Executive has been requested to reply directly to you in the context of the above Representation, which you submitted to the Chief Officer, Cavan Donegal Leitrim Monaghan Sligo for response.

I have examined the matter, and the following outlines the position of Cavan Donegal Leitrim Monaghan Sligo.

The HSE can confirm the commencement of construction works on the Ballybay Primary Care Centre from January 2024. The construction phase is expected to take between 16 and 18 months.

On completion, the HSE services that will be provided from this PCC include: Public Health Nursing; Occupational Therapy; Speech and Language Therapy; Physiotherapy; Social Work; Podiatry; Psychology and Dietetics. A number of Bookable Rooms will also be available for other visiting services. There will also be GP services located within the Centre.

I trust this information is of assistance to you, but should you have any further queries, please do not hesitate to contact me.

Yours sincerely,

Emma Ball
