PQ 11439/24*To ask the Minister for Health the current status of a project (details supplied: proposed Primary Care Centre for Sixmilebridge, County Clare); and if he will make a statement on the matter. -Violet-Anne Wynne

Dear Deputy Wynne,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question which you submitted to the Minister for Health response.

Capital & Estates has formally advertised Sixmilebridge Primary Care Centre on the Office of Government Procurement E-Tenders platform in June 2024 with a view to delivering a new Primary Care Centre in this location via the HSE's Operational Lease Model.

The range of Primary Care Services that will be provided from the centre are General Practitioner, Public Health Nursing, Physiotherapy, Occupational Therapy and additional therapies as determined by the population needs analysis.

Yours sincerely

Brian O'Connell
Interim National Director
Capital & Estates
