Deputy Paul Murphy
Dáil Eireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 12503/24 - To ask the Minister for Health how the HSE can issue a staff census or accurately figure up therapeutic hours, if the numbers are not centrally located.

Dear Deputy Murphy,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for response.

The staff census is completed retrospectively based on payroll returns. The therapeutic hours are returned by each area on a monthly basis from the services.

I trust this is of assistance to you.

Yours sincerely,

Jacqueline Nix

Assistant National Director, HR Community Operations
