Deputy Patricia Ryan,
Dáil Eireann,
Dublin 2.

PQ ref 23158/24

To ask the Minister for Health the plans for the future purpose or use for the HSE building in Monasterevin which currently houses the public health nurse services, when that service is amalgamated with the new day care centre in Monasterevin.

Dear Deputy Ryan,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that Monasterevin Health Centre is currently occupied by the Public Health Nursing Service. When the building opens in Drogheda Street, Monasterevin, the Public Health Nursing service will vacate the current health centre and move to this premises. No date has been confirmed to vacate the Monasterevin Health Centre. A final decision has not yet been made on the future use of the existing health centre. I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

Yours sincerely,

Brian Kearney
