

Deputy Sean Sherlock
Dáil Éireann
Leinster House
Dublin 2

4th November 2024

PQ 39332/24 - To ask the Minister for Health the name and location of each Section 38 and Section 39 organisation; the amount of staff employed at that location and their grades; and the disparity between those staff and directly employed HSE staff at the same grade, in tabular form. -Sean Sherlock

Dear Deputy Sherlock,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

Access and Integration contacted colleagues in HSE Compliance, HSE Human Resources and HSE National Finance for information in response to your question.

Regarding staffing levels in Section 38 Voluntary Agencies, please see the included Excel file titled as follows:

- *Section 38 Agencies by Grade Group*

This includes the agency names as well as staff employment figures.

Please see the below link for further information, including staff levels in Section 38 Voluntary Hospitals:

<https://www.hse.ie/eng/staff/resources/our-workforce/workforce-reporting/employment-reports.html>

Regarding Section 39 Agencies in receipt of less than €100,000, please see the included Excel files titled as follows:

- *Non Statutory Complete_FY23_2024.04.22 Agencies with Funding less than €100k*

This list is as per the Service Provider Governance (SPG) as at 22nd April 2022 and is supplied by HSE Compliance.

Regarding Agencies in receipt of €100,000 or more, please see the included Excel files titled as follows:

- *Appendix 1 2023 Agency List*

This Appendix is as per the HSE Annual Financial Statements (AFS) 2023 and includes Section 38 Agencies, Section 39 Agencies and 'Not-for-Profit' organisations.

For further information on the HSE AFS, please see the below link:

<https://www.hse.ie/eng/services/publications/corporate/annualrpts.html>

It is not possible to compare staffing levels within these agencies with HSE staffing levels of equivalent grade as the HSE does not have access to these employment figures.

Employees of Section 39 Agencies are not public servants and as such the HSE does not hold data on the total current number of staff employed.

I trust this is of assistance to you.

Yours Sincerely,

A handwritten signature in blue ink, which appears to read 'Nessa Lynch', is written over a horizontal line.

Nessa Lynch
General Manager
Access and Integration
