PQ: 35115/24

To ask the Minister for Health his views on an issue with the drugs repayment scheme (details supplied); and if he will make a statement on the matter. -Michael Healy-Rae

Dear Deputy Healy-Rae,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (Reference 35115/24), which you submitted to the Minister for Health for response.

At the moment we require one DPSR1 application form to be completed with every DPS refund request.

However, the PCRS is currently scoping an online solution for DPS Refunds and we are in the early stages of introducing an electronic fund transfer system. Due to competing priorities and a number of technical issues that must be addressed relating to the project, development will take time before we can go live with electronic fund transfer to individual clients.

Yours sincerely,
