Dear Deputy Crowe,

I refer to your correspondence dated 31st March 2025.

There is one full time consultant paediatric neurologist in post at University Hospital Limerick.

A consultant paediatric neurologist primarily based in Cork also provides an outpatient clinic once a month for patients with complex epilepsy.

There are no vacant consultant paediatric neurology posts at University Hospital Limerick

I trust this clarifies the position. Please contact me if you have any further queries.

Kind Regards,

IAN CARTER
