Re: PQ 16477/25 - "To ask the Minister for Health if the HSE will engage with a local volunteer group (Nth. Tipperary Branch of the Alzheimer's Society) and consider providing it with an office space in the Nenagh Primary Care Centre, which is currently under construction; and if he will make a statement on the matter".

Dear Deputy O'Meara,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can advise that when the Primary Care Centre at Nenagh becomes fully operational, existing HSE staff and services will relocate to the new Primary Care Centre building from existing HSE buildings. The accommodation within the Centre will be allocated to HSE staff both Clinical and Administration for the provision of health care services to the community of Nenagh and surrounding areas.

As the Primary Care Centre will be fully occupied by HSE staff and services, the HSE is not in a position to engage with voluntary groups operating within the community, with a view to providing them with office space at the Primary Care Centre in Nenagh.

I trust the above information addresses the issues raised in your representation.

Yours sincerely,

Carmel McLaughlin
General Manager
