Deputy Paul Donnelly
Dáil Éireann,
Dublin 2.

PQ ref 16491/25 - To ask the Minister for Health if she will provide a list of dentists within CHO7 that are currently accepting new medical card holders, also to include the addresses of same, in tabular form.

Dear Deputy Donnelly,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive can confirm that the current list of dentists and clinical dental technicians contracted to the Dental Treatment Scheme (DTSS) is attached. This file includes contractors in the former CHOs of 6, 7 and 9 and is regularly updated. Information is not held on the basis of dentists that are currently taking new medical card patients. All dentists on the attached list are contracted to the DTSS and can therefore potentially taken on new patients.

I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

Yours sincerely,

Brian Kearney
Head of Primary Care
