**Re: Parliamentary Question 17326/25** “To ask the Minister for Health what funding the Mater Misericordiae Hospital receives for chairs for chemotherapy patients; and if she will make a statement on the matter.”

Dear Deputy McAuliffe,

HSE Dublin and North East has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

I can confirm that the chairs in the chemotherapy waiting area and the day unit in The Mater Misericordiae Hospital have been funded through a mix of capital funding and charitable donations.

I trust this information is of assistance to you.

Yours sincerely,

---
