Mr. Séamus McGrath., T.D.,
Dáil Éireann,
Dublin 2

PQ ref 17876/25

"To ask the Minister for Health if she will support a proposal by an organisation (details supplied) to acquire the vacant former health centre building in Passage West; and if she will provide an update on the proposal/request; and if she will make a statement on the matter".

Details supplied: the Carrigaline Family Centre

Dear Deputy McGrath,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The current status of former Health Centre building located in Passage West is that, it is listed for disposal, as the said property is deemed surplus to the HSE requirements. It will be disposed of in line with the HSE Property Protocol and the Department of Public Expenditure, NDP Delivery and Reform Circular 11/2015, where the property will be offered to all State Stakeholders through the Intra-State Property Register.

Cork County Council has expressed an interest in the property.

If no interest is expressed in the property by any State Stakeholder, the HSE will then progress the disposal of the property on the open market in line with the Department of Public Expenditure, NDP Delivery and Reform Circular 17/2016 and the HSE Property Protocol.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely,

**Mari O'Donovan
