Deputy Mark Wall,
Dáil Éireann,
Dublin 2.

PQ ref 18155/25 - To ask the Minister for Health the current arrangements for a GP practice for the community of Ballymore Eustace.

Dear Deputy Wall,

The Health Service Executive has been requested to reply directly to you in regard to your parliamentary question, which you submitted to the Minister for Health for a response. I have examined the matter and the following outlines the position.

The Health Service Executive (HSE) confirms that there is currently a GP practice with a full-time contract to provide GP services in Ballymore Eustace for two mornings each week. This GP also has a practice in Blessington, and patients from the Ballymore Eustace area can choose to attend either location. On both mornings, there is a GP clinic as well as a nurse clinic available. The Primary Care team continues to engage with the GP to assess the service provision needs in this area.

I trust this information is of assistance to you but if you have any queries or require any further information, please do not hesitate to contact me.

Yours sincerely,

Brian Kearney
