RE: PQ18542/25

**To ask the Minister for Health the number of dentists in the Roscommon-Galway
Constituency who provide services under the medical card scheme.**

Dear Deputy Daly

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I can confirm that in County Galway, as of April 2025, there are currently 56 PCRS (Primary Care Reimbursement Services) contractors who provide services under the medical card scheme. This includes 55 Dentists and 1 Clinical Dental Technician who is registered for the provision of denture services only.

In County Roscommon, as of May 2025, there are currently 5 PCRS (Primary Care Reimbursement Services) contractors who provide services under the medical card scheme.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours Sincerely

Seamus Beirne
Head of Primary Care Services
Galway, Mayo & Roscommon
