Ms. Sorca Clarke T.D.
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

Re: Parliamentary Question 18837/24 *“To ask the Minister for Health the types of vascular surgeries procedures that were carried out at the Mater Hospital in 2024 and to date in 2025.”*

Dear Deputy Clarke,

HSE Dublin and North East has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Please see types of vascular surgical procedures carried out in the Mater Hospital in 2024 and to date in 2025 as follows:

- Carotid Endarterectomy
- Endovascular Abdominal Aortic Aneurysm Repair
- Open Abdominal Aortic Aneurysm Repair
- Fenestrated Endovascular Abdominal Aortic Aneurysm Repair
- Thoraco-abdominal Aortic Aneurysm Repair
- Brachial Embolectomy
- Femoral Embolectomy
- Popliteal Embolectomy
- Axillo-Femoral Bypass
- Aorto-Bifemoral Bypass
- Ilio-Femoral Bypass
- Femoro-Femoral Crossover Bypass
- Femoro-Popliteal Bypass
- Femoro-Tibial Bypass
- Popliteal-Tibial Bypass
- Vascular Surgery support for major cancer surgery where major blood vessels are involved
- Vascular support for complex urology and gynaecology cases where major blood vessels are involved
- Vascular Surgery support providing access for Complex Cardiology cases (provision of access and repair of arterial injury)
- Vascular Support for Interventional Radiology cases (provision of access and repair of arterial injury)
- Management of major intra-operative haemorrhage associated with surgery performed by other disciplines
- Arteriovenous Fistula Creation for Haemodialysis
- Varicose Vein Surgery

- Endovenous Ablation of Varicose Veins
- Management of Vascular Trauma
- Peripheral Arterial Angioplasty and Stenting
- Embolectomy for Acute Limb Ischaemia
- Repair of Arterial False Aneurysms due to intravenous drug abuse
- Above Knee Amputation
- Below Knee Amputation
- Transmetatarsal Amputation
- Digital Amputation
- Wound Debridement

I trust this information is of assistance to you.

Yours sincerely,

June Molloy
