Dear Deputy Gould,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response.

The details of each project for Cork is included in the HSE Capital Plan 2025 and the associated Appendices. A link to Capital Plan is enclosed here:

In addition to the above, the HSE's National Service Plan Appendix 2 outlines the HSE Capital Infrastructure Bed Projects – completions for operationalisation in 2025, a link to NSP 2025 is enclosed here:

Finally progress and deliverables on the HSE Capital Plan and National Service Plan tracker are dependent on various factors, including markets constraints, which may impact on overall delivery in 2025. The status of each project is updated as part of a mid-year review and will be available in July 2025.

Yours sincerely
