Dear Deputy Rice,

The Health Service Executive has been requested to respond to your parliamentary question submitted to the Minister for Children; Equality; Disability; Integration and Youth.

I have been advised that Headway propose to submit a business case, to support their application for additional capital funding to develop a trauma recovery centre, to the Minister and the HSE.

If I can be of any further assistance, please do not hesitate to contact the office.

Yours sincerely,

Ms. Lorraine Egan,
A/ Head of Disability Services,
HSE South West
