RE: PQ ref 20006/25 *To ask the Minister for Health for an update on the primary healthcare centre in Dundalk (the former Carroll Village Shopping Centre, The Long Walk, Demesne, Dundalk, County Louth) and the expected commencement date for construction.*

Dear Deputy McGreehan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

A Design team meeting last week reviewed feedback from the FSC consultants on the proposed changes tabled recently by service. The developer will circulate a revised programme in the coming weeks but is indicating that the project remains on target for works to commence during Q4 2025.

Yours sincerely,

Gerry Tully
