PQ 20028/25 ref: To ask the Minister for Health what plans are in place for a HSE-owned Facility (Áras Attracta, Swinford)

Dear Deputy Ó Muirí,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question (PQ 20027/28) which you submitted for a response. I have linked with all of our various services, and the following outlines the current position.

The HSE continue to use the facilities at Mayo Community Living Campus (formally known as Áras Attracta) in Swinford, where we operate, Residential services, Primary Care services, Disability services and other support services. The Mayo Community Living complex will be reviewed in the context of the overall health infrastructural requirements in the Mayo Integrated Health Area.

Currently there are no plans to transfer any of the Mayo Community Living campus facilities outside of HSE ownership.

I trust this answers your queries, and please contact us if there is any further issues.

Yours sincerely,

Mary Warde,
IHA Manager Mayo ,
HSE West and North West.
