Re: Parliamentary Question 20077/24 *“To ask the Minister for Health when additional resources will be provided to improve health services in Cavan General Hospital, to reduce delays in patients accessing cardiology services; and if she will make a statement on the matter”*

Dear Deputy Smith,

HSE Dublin and North East has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

I can confirm that Cavan General Hospital has full complement of approved consultant cardiology posts in place, and are actively managing the waiting list.

I trust this information is of assistance to you.

Yours sincerely,

June Molloy
