Re: PQ 20443/25

To ask the Minister for Children; Equality; Disability; Integration and Youth the waiting-list numbers and exact wait-times in months and years per discipline for young people in each Integrated health area of the mid-west regional health area children's disability network teams, in tabular form; to include numbers of years waiting for young people waiting more than twelve months; and the longest wait-time in years and months as of 1st April 2025.

Dear Deputy Quaide,

Thank you for taking my call on Wednesday 23rd May 2025 to clarify the details of this query. As per our call I advised that the Children's Disability Network Teams do not collate waitlists for disciplines and the waitlist is collated for access to the service.

CDNT Waitlist information as of 1 st April						
CDNT	Waiting 0-3 month	Waiting 4-6 month	Waiting 7-12 month	Waiting over 12 months	Total no. of children on the waiting list	Longest wait-time in years and months
Blackberry Park	12	16	50	70	151	2 years 11 months
Clare	8	22	7	3	40	1 year 2 months
East Limerick	24	20	42	81	167	3 years 4 months
North Tipperary	42	18	46	163	269	2 years 4 months
South City	29	31	35	85	180	2 years 2 months
Treehouse	13	28	46	113	200	2 years 1 month
West Limerick	7	2	42	12	63	1 year 4 months

I trust this clarifies the situation, but should you require any further information or clarification, please do not hesitate to contact me.

Yours sincerely,

Fearghal Gray
Acting Head of Service
Disability Services, HSE Mid West

Fearghal Gray
