“To ask the Minister for Children; Equality; Disability; Integration and Youth the details of recruitment drives undertaken for the children's disability network teams in each integrated health area of the south west regional health area for the years 2023, 2024 and as of 1 April 2025-namely, the date each post was advertised, the discipline and grade of the post, whether the post had been offered and accepted and, where applicable, the date a candidate had commenced in post.”

Dear Deputy Quaide,

The Health Service Executive has been requested to respond to your parliamentary questions submitted to the Minister for Children; Equality; Disability; Integration and Youth for response.

Children’s Disability Network Teams (CDNTs) have been established to provide services and supports for children with complex disability needs within a defined geographic area. Each CDNT is under the governance of a lead agency which is a Section 38 or Section 39 service provider. HSE South West works closely with the CDNT lead agencies with regard to the management of these teams.

The HSE and its Section 38 and Section 39 Lead Agencies are operating in a very competitive global market for healthcare talent, as there are significant shortages of

qualified healthcare professionals across the globe. This is impacting on the filling of posts and as such impacts on full delivery of service to families. HSE South West Disability Services in conjunction with the lead agencies continue to make all efforts to fill posts as quickly as possible and put any measures possible in place to minimise the impact on children and their families.

The HSE requested details of CDNT recruitment campaigns from the lead agencies, namely Enable Ireland, St. Josephs Foundation, Brothers of Charity Southern Services, Horizons and CoAction. The details that we have received to date are outlined in the tables in the appendix to this letter.

If I can be of further assistance, please do not hesitate to contact the office.

Yours sincerely,

**Ms. Lorraine Egan,
A/ Head of Disability Services,
HSE South West.**
