RE: PQ20889/25

To ask the Minister for Health the reasons the position of psychologist at the Athenry Primary Care Centre, County Galway, has not yet been filled; if this position remains open; if it is currently being actively advertised; and if she will make a statement on the matter.

Dear Deputy Dolan

The Health Service Executive has been requested to reply directly to you in the context of the above Representation which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

I refer to your Parliamentary Question in relation to the vacant psychology post in Athenry.

A business case for approval to fill the post has been submitted and is currently under review. The outcome for a decision is awaited.

I trust this information is of assistance to you, but should you have any further queries please contact me.

Yours Sincerely

Seamus Beirne
Acting Head of Primary Care Services
Galway, Mayo & Roscommon
