Re: PQ 21020/25 - To ask the Minister for Health the number of adults and children that have accessed primary care psychology services in County Louth in each of the years 2020 to 2024, in tabular form – Erin McGreehan

Dear Deputy McGreehan,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and outlined the position as follows.

Referrals/Clients seen Louth PC Psychology	2020	2021	2022	2023	2024
North Louth	171	222	284	282	297
South Louth	259	352	454	463	478
Total	430	574	838	845	875

I trust the above is in order but please do not hesitate to contact me should you have any further queries in this regard.

Yours sincerely,

Joseph Ruane
Head of Primary Care Services
