RE: PQ ref 21258/25 – To ask the Minister for Health if there are plans to expand community lymphoedema and lipoedema services at Beaumont Hospital Cancer Centre of Excellence; and if she will make a statement on the matter.”

Dear Deputy Heneghan,

Please find below response from Beaumont Hospital in relation to the above PQ.

Currently there are no plans for Beaumont Hospital to expand community lymphoedema and lipoedema services although we will continue to collaborate with the HSE National Lymphoedema Service and Enhanced Community Care Programme.

If I can provide any further information, please let me know.

Kind regards,

Anne Coyle
