REF PQ: 21503/25

Dear Minister Farrelly,

With reference to PQ received: To ask the Minister for Health the number of persons on the waiting list for the Centre of Obesity Management; and the average waiting time for access services once a referral has been made

As per the NTPF waiting list report for 24/04/2025, there are currently 5625 patients waiting to be seen within the Centre of Obesity Management.

Urgent – appointments are being offered in line with the KPI for NTPF – within 28 days

Semi-urgent – appointments are being offered from mid 2019

Non-urgent – appointments are being offered from mid 2018

Yours sincerely,

Lorraine O'Toole

Interim General Manager

St Columcille's Hospital Loughlinstown
