2nd May 2025

Deputy Cullinane,
Dáil Éireann,
Leinster House,
Kildare Street,
Dublin 2.

PQ 21524/25 To ask the Minister for Health the number of patients on primary care and community healthcare waiting lists, for each care service, for Quarter 1 of each year 2019, 2024 and 2025, in tabular form; the breakdown by length of wait and by age; and if she will make a statement on the matter.

- David Cullinane

Dear Deputy Cullinane,

The Health Service Executive (HSE) has been requested to reply directly to you in the context of the above Parliamentary Question (21524/25) which you submitted to the Minister for Health for response.

The HSE is committed to delivering efficient high-quality services to all eligible service users. In 2024, there were over 1.3million patients seen by HSE Primary Care Therapy services. Each Health Region is focused on improving access to care in order to reduce waiting times for patients in the context of resources available.

Please find the attached appendices, which contains, in tabular form, details of the Primary Care Therapy waiting list for each CHO area, for Qtr. 1 2019, 2024 and by Health Region 2025 which is the latest data available at this time.

Appendix 1 – Primary Care Therapy Waiting List by CHO Qtr.1 2019

Appendix 2 – Primary Care Therapy Waiting List by CHO Qtr.1 2024

Appendix 3 – Primary Care Therapy Waiting List by Health Region March 2025

I trust this information is of assistance to you.

Seán McArt

General Manager
Primary Care Access & Integration
