Dear Deputy Cullinane,

The Health Service Executive has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position.

Jigsaw is funded by the HSE to provide youth mental health services for those with mild to moderate mental health difficulties. They provide face-to-face, online and phone based services to young people aged between 12 to 25 years old while working with communities to resource and support parents and other adults who work with young people.

\*Please be advised that the information requested by the Deputy has been provided by Jigsaw directly.

\*Please note that this data is subject to change due to ongoing review and validation by Jigsaw.

The tables below give detail on the number of people on waiting lists for Jigsaw, by service area and length of wait, at the end of March of each year 2019, 2024, and to date in 2025.
