Re: Parliamentary Question 21591/25 *“To ask the Minister for Health the number of beds and occupancy rate in Monaghan hospital, by category and by month, in each of the years 2023 and to date in 2025; and if she will make a statement on the matter”*

Dear Deputy Bennett,

HSE Dublin and North East has been requested to reply directly to you in the context of the above Parliamentary Question, which you submitted to the Minister for Health for response. Having reviewed the matter, the following outlines the position.

Patients admitted to Monaghan Hospital are either transferred from Cavan General Hospital, Our Lady of Lourdes Hospital, Drogheda or other Tertiary Hospital settings. Patients must be medically discharged and meet the criteria of Monaghan Hospital to be admitted.

Bed occupancy rates / ward bed allocation may vary due to infection prevention and control measures, complex behaviour concerns, building works / renovations in the ward areas, and criteria for patient admission.

Please see below table containing the number of beds and occupancy rates for Monaghan Hospital for the timeframe requested:

Year	Month	Bed Numbers Available	Overall % Occupancy
2023	January	52	83%
2023	February	52	73%
