Re: PQ no: 21641/25 – Second CT Scanner – St Luke’s Hospital, Kilkenny

Dear Deputy Cleere

I refer to the recent representation made on behalf to St Luke’s Hospital, Kilkenny, which has been referred for direct response.

To ask the Minister for Health if funding will be made available immediately to acquire a second CT scanner for St. Luke's Hospital in Kilkenny; and if she will make a statement on the matter. -Peter 'Chap' Cleere

I have had this matter examined and am advised that a capital submission is currently being prepared for the provision of a second CT Scanner for St Luke’s Hospital, Kilkenny. This submission will be progressed for consideration by the HSE Capital Planning Expert Group, and if approved will join the pipeline of capital projects for prioritization for the HSE National Capital Plan.

I trust this information is helpful to you.

Yours sincerely
